

Red Bluff High School Transportation

Students should be at the bus stop 5 minutes before the scheduled pick up time in the mornings.

Students who are experiencing COVID-19 symptoms should **not** go to the bus stop.

Due to the current situation with the COVID-19 pandemic, bus schedules have been modified to accommodate student class schedules.

There are eight bus schedules for every bus route. There are AM Regular and AM Late schedules as well as PM Early and PM Regular schedules for Monday, Tuesday, Thursday, and Friday. Also, there are AM Regular and AM Late schedules as well as PM Early and PM Regular schedules for Wednesday. **Please note that both the AM Regular and AM Late pick up times are earlier on Wednesday mornings.**

Please use the following instructions to determine when your student should ride the AM Late or PM Early routes:

For students who do not have a first period:

Refer to the AM Late bus schedule for Monday and Tuesday mornings.

Also, refer to the Wednesday AM Late bus schedule for Green Wednesday mornings.

For students who do not have a fourth period:

Refer to the PM Early bus schedule for Monday and Tuesday afternoons.

Also, refer to the Wednesday PM Early bus schedule for Green Wednesday afternoons.

For students who do not have a fifth period:

Refer to the AM Late bus schedule for Thursday and Friday mornings.

Also, refer to the Wednesday AM Late bus schedule for Gold Wednesday mornings.

For students who do not have an eighth period:

Refer to the PM Early bus schedule for Thursday and Friday afternoons.

Also, refer to the Wednesday PM Early bus schedule for Gold Wednesday afternoons.

In the afternoon, buses pick up in the bus loading zone at 1:20 PM and 2:52 PM on M,T,Th,F. On Wed. pick up is at 11:35 AM and 12:32 PM.

Please remember the following details:

Students will be required to wear a facemask on the bus and at the bus stop.

During the morning bus routes, students will be screened before they are allowed to take their seats.

Students will be required to sit in the seat that the bus driver assigns them.

When exiting the school bus, the students in the front right side seat will enter the aisle and walk forward. The students in the front left side seat will enter the aisle and walk forward as soon as the first students are clear. This right-left alternation pattern will continue until the last seat, or all the students are off the school bus, or all students who exit the bus at the school bus stop are off. Students should walk, remain quiet, and not come into contact with any other student during this process.
