

# **Red Bluff High School Transportation 2023-2024**

**The bus sign up form is accessible on the RBHSD website under the Transportation drop down menu.**

**Please complete the bus sign up form if school bus transportation is needed.**

**Please make sure to verify your bus number and stop times using the bus schedule that is posted on the RBHS website.**

**Please read the Parent Handbook for Student Transportation with your student.**

**The Parent Handbook for Student Transportation is available on the RBHSD website in the bus sign up section which is located by accessing the Transportation drop down menu.**

**Students must follow the rules indicated in the Parent Handbook for Student Transportation.**

**Students should be at the bus stop 5 minutes before the scheduled pick up time in the mornings. The ten minute A.M. pick up window precedes the listed stop time by five minutes and extends five minutes after the listed stop time.**

**Afternoon stop times may vary depending on the number of students that ride the bus.**

**On minimum days, afternoon stop times will be earlier relative to the actual dismissal time.**

**After the first week of school, buses will not service stops that are not used by students.**

**If a student needs to use a previously unused stop after the first week, the student must obtain a bus pass from the RBHS office and present it to the bus driver when boarding.**

**The buses may run late the first two weeks of school.**

**The bus schedules and the areas that each bus serves are listed below.**

**Manton students will get on the Antelope bus at Manton School in the morning and transfer from the Antelope bus to bus 14 in Red Bluff. In the afternoon, van 153 will pick up the Manton students in the bus loading zone and transport them to Manton School.**

**The nation wide school bus driver shortage continues to negatively affect the RBHSD Transportation Department. At this time, the RBHSD Transportation Department does not have enough bus drivers to provide the same level of service that was provided last school year. Buses 16 and 52 will make two trips in the morning and two trips in the afternoon to RBHS in an effort to cover as many stops as possible.**

**This means that some students will be dropped off at RBHS before 7 am.**

**Some of the students will not be picked up for the trip home until after 4 pm.**

**Also, the morning pick up times are earlier than last year for many of the stops.**

**Please contact the human resources departmen at the Red Bluff Joint Union High School District Office if you are interested in becoming a school bus driver.**
