

Red Bluff High School Transportation Summer 2021

Students should be at the bus stop 5 minutes before the scheduled pick up time in the mornings.

Students who are experiencing COVID-19 symptoms should **not** go to the bus stop.

Please remember the following details:

Students will be required to wear a facemask on the bus and at the bus stop.

During the morning bus routes, students will be screened before they are allowed to take their seats.

Students will be required to sit in the seat that the bus driver assigns them.

When exiting the school bus, the students in the front right side seat will enter the aisle and walk forward. The students in the front left side seat will enter the aisle and walk forward as soon as the first students are clear. This right-left alternation pattern will continue until the last seat, or all the students are off the school bus, or all students who exit the bus at the school bus stop are off. Students should walk, remain quiet, and not come into contact with any other student during this process.

Buses are scheduled to begin arriving at RBHS at 7:45 AM.

Bus riders should proceed directly to the bus loading zone after school.

Please be aware that road conditions, traffic, or other unexpected complications may cause the stop times to vary slightly.

If you did not sign up for the bus on the RBHSD website, please obtain a Parent Handbook for School Transportation from the bus driver.

Read the handbook, sign the back page and return it to the bus driver.
